Verse 2

There were days and there were days
 and there were days besides
 when phantom ships with phantom sails
 set to sea on phantom tides
 Comes the lightning of the sun
 on bright unfocused eyes
 the blue of yet another day
 a springtime wet with sighs
 a hopeful candle lingers
 in the land of lullabies
 where headless horsemen vanish
 with wild and lonely cries lonely cries

Verse 3

There were days and there were days
 and there were days I know
 when all we ever wanted
 was to learn and love and grow
 Once we grew into our shoes
 we told them where to go
 Walked halfway around the world
 on promise of the glow
 Stood upon a mountain top
 Walked barefoot in the snow
 Gave the best we had to give
 How much we'll never know we'll never know

Verse 4

There were days and there were days
 and there were days between
 polished like a golden bowl
 The finest ever seen
 Hearts of Summer held in trust
 still tender, young and green
 left on shelves collecting dust
 not knowing what they mean
 Valentines of flesh and blood
 as soft as velveteen
 hoping love would not forsake
 the days that lie between lie between
