All of my friends come to see me last night,  
I was laying in my bed and dying.  
Annie Bonneau from St. Angel, Say the weather down there so fine.

**Verse 2** Just then the wind came squalling through the dark,  
But who can the weather command?  
Just want to have a little peace to die, And a friend or two I love at hand.

### Lead = Verse

**Verse 3** Fever roll up to a hundred and five.  
Roll on up, gonna roll back down.  
One more day I find myself alive, Tomorrow maybe go beneath the ground.

**Break** | C /// | % | Em /// | % |  
See here how everything leads up to this day,  
| Dm /// | Am /// | Em /// | % |  
And it's just like any other day that's ever been.

| Dm /// | % | F /// | % | A<sup>7</sup> /// | % |  
Come around, come around, around.

**Verse 4** The people might know, but the people don't care,  
That a man can be as poor as me.  
Take a look at poor Peter, he's lying in pain,  
Now let's come run and see, run and see,  
Run and see, run, run and see, and see.
